

You're never fully dressed
without a smile.
It's a test
of your style.

What are you thinking?
How do you feel?
You might be sinking
but fit the appeal.

You want to scream.
You want to cry.
Sucks that your dream
had to go dry.

Still, you smile away.
If others had to ask,
“Are you okay?”
you’d drop your mask.

There are lots of joys
and true people to love.
Pain can be background noise
And happiness not be a glove.

No one truly knows
what's behind your smile,
but when genuine glee shows,
you glow for a while.

Thank You!
